

DBIA ROCKY MOUNTAIN REGIONAL CONFERENCE

5.23.19
ALLEARS

the listening tour

This year's regional conference will take a moment to stop and listen to you. With a strong desire to understand what is happening in our industry and the design-build delivery method in the Rocky Mountain Region, the conference will focus on listening. Forums for each of our primary groups - Owners, Vertical, Water/Wastewater and Transportation will dominate the schedule for the morning.

JOIN US - IT'S YOUR TIME TO SPEAK UP.

KEYNOTE SPEAKER

DBIA National Chairman, Martin Hedlund, P.E., DBIA, will kick off the conference with the Past, Present & Future of design-build.

LISTENING TOUR TRACK

Results of the Listening Tour are in and this year's regional conference will feature a dedicated track to share what we heard.
