

DBIA ROCKY MOUNTAIN REGIONAL CONFERENCE

5.23.19
ALLEARS

the listening tour

This year's regional conference will take a moment to stop and listen to you. With a strong desire to understand what is happening in our industry and the design-build delivery method in the Rocky Mountain Region, the conference will focus on listening. Forums for each of our primary groups – Owners, Vertical, Water/Wastewater and Transportation will dominate the schedule for the morning.

KEYNOTE SPEAKER

DBIA National Chairman, Martin Hedlund, P.E., DBIA, will kick off the conference with the Past, Present, and Future of design-build.

LISTENING TOUR

Results of the Listening Tour are in and this year's regional conference will feature a dedicated track to share what we heard.

PRESENTED BY

The Professionals
Steel Fabricator and Supplier
